

Active Watch List

The Active Watch List is developed from public information and provided to the community with the consent of Durham County Administration by the Durham Roundtable and the office of Archie Smith, Clerk of Court. This public information is derived from public court records and criminal records that are maintained by law enforcement agencies and the Clerk of Court. While reasonable precautions are taken to ensure the accuracy of the information provided, the Durham Roundtable and involved agencies disclaim any legal liability for making this public information available to the community and for any errors or omissions, misunderstandings or improper use of the information provided on this site.

Individuals whose names appear on this list are offenders with previous arrest records who have been arrested on new charges beginning January 1, 2007 and may have a current case before the Durham County Courts.
